

Poems of Nature

*The warm summer days are changing for the clear autumn skies...
To wander through the woods, on a winding path, the sounds of the forest, so wild and untamed, but still so welcoming and peaceful. Standing at the edge of the fields in the rising sun, give you time to reflect, time to breathe...
After a long flourishing season, nature has taken its wintery vesture with a new palette of earthy colours and the morning sun is shining on frosty bare tree branches. Longing for some well-deserved rest, the leaves have fallen, and the birch gets ready for the white cover soon to come. New poems await to be written, the poems of nature...*

Ewa i Walla's Autumn/Winter 2018 Collection gives you "Poems of Nature", a celebration of the surroundings of Hälsingland, with the woods just around the corner: Our new collection offers you skirts and fabulous dresses in musty colours and large floral prints that invoke the romanticism of an old oil painting. Along with the collection we present curtains and pillowcases to get the same pompous, yet cosy feeling for your own home.

The light and cushy winter voile brings you a lovely small flower print on models easy to wear on its own or layer upon layer with a soft and romantic jersey top underneath, the perfect match to embrace the new colder season.

We are very excited to present a new material for Ewa i Walla, Organic Cotton and Hemp that comes in five beautiful garments, easy to combine with this season's Striped Linen, denim or maybe together with a warm knitted sweater?

This season's knits feature in thick Mohair and Lana Wool blend in gorgeous pullovers and warming accessories in two colours, Mole and Red, beautiful to match along with this season's prints and exciting materials.

From playful dots and cotton checked dresses to the exquisite organdie and wool garments, all with beautiful and unique details, the hallmark of Ewa i Walla.

Stunning lace and cross stitch embroideries bond the materials and bring a luxurious touch to the collection that offers something for the every-day life and for all the special occasions and festivities. This season's colours: Cream, Powder, Prune and Vintage Black come in perfect harmony with the variation of prints and flowers. Combinations are endless and give each wearer the opportunity to express themselves with a personal and unique styling that make you feel and look stunning, enjoy!

Materials Autumn Winter 2018

CHECKED:

A checked cotton quality in black and blue. Represented both in urban looking blouses and more romantic dresses.

COTTON:

A winter voile, this new thinner quality fabric demonstrates flexibility for layering or on its own, also represented in a lovely small flower print.

CRISP COTTON:

The classic Ewa i Walla Cotton is defined by its unique crushed look, crispy feel and sound. Originating from old Sweden, you can discover the same feeling in cotton bed linen.

ORGANIC COTTON AND HEMP:

Five beautiful garments are featured this season in a new material for Ewa i Walla. We are very excited to present organic Cotton and Hemp in our collection.

DENIM:

This season, denim is featured in one pair of jeans with a light vintage look. Stitch and patches give it the unique look. We keep the popular style from Spring summer 2018

DOT:

Playful dark blue and gold colored dots give garments a sweet and unexpected look. Represented in classic Ewa i Walla fabric.

EMBROIDERY:

This light and airy romantic fabric is presented with a beautiful embroidered finish.

FLOWER COTTON:

Dark musty colors and large floral prints invoke the romanticism of an oil painting. This year's flower cotton gives a dramatic yet romantic look that is quintessentially Ewa i Walla.

HARD VOILE:

For those who love volume by Ewa i Walla, one can effortlessly create the daring extravagant silhouette with garments in this fabric.

JERSEY:

A thin cotton quality with a flowing characteristic. These traits make the garments a perfect combination for an organdy skirt or a pair of jeans.

JERSEY 2:

Reminiscent of a camisole from the past, this soft, yet romantic cotton jersey with exquisite details is perfect to have closest to the body, providing warmth and comfort.

KNITTED:

Our knits feature this season in thick Mohair and Lana Wool blends. Represented in three gorgeous pullovers and warming accessories to greet the colder season.

ORGANDIE:

A mix of Hard Voile and Voile creates fabulous and dreamlike garments. Lace ribbons are featured as extra little details in these garments, making the wearer look and feel stunning.

PATCH:

This fun and playful fabric is a mix of this year's most prominent textiles. Represented in a foregone favorite skirt.

SHAWL WOOL:

A thin wool quality provides the perfect autumn and winter shawl.

STRIPED LINEN:

Light colours in a sophisticated striped linen fabric. As easy to combine in urban outfits as a romantic rural look. Garments with lots of intriguing details of cross stitch embroideries and lovely lace details.

SWEATSHIRT:

Thicker jersey quality with an exciting colour in nuances of dark blue. Garments just as easy to combine with cotton flower as denim.

VELVET:

Cotton velvet with an exquisite feel. Providing the wearer a delightful luxurious look.

VISCOSE:

Viscose with its flowing characteristics is perfect to wear closest to the body.

WOOL:
