

# Portraits of Women

*We are all unique, pieced together from our experience and knowledge. Shaped by our journey through life to where we are today, we all have a story of our own.*

*Mothers, daughters, sisters, friends... we make our choices, we do our selections and our styling becomes a reflection of ourselves, of where we have been, of where we are today and where we would like to go. Like telling a story without using words ...*

Ewa i Walla's Spring/Summer 2019 Collection presents "Portraits of Women", a celebration to all strong, feminine and creative women who want to express themselves and reflect their personality with their outfits, each in their own unique way.

Our new collection comes with a variation of stripes and checks, from the classic pin stripe with cream on black and checks to combine - to playful blue and cream stripes on delicate silk. The classic check cotton voile in bright summery colours is the perfect complement to this season's print on voile in faded red flowers, giving each garment its unique appearance.

This season offers more flowers than ever - a bold graphic black and cream and this season's flower cotton print in cool turquoise, both on our classic Crisp Cotton. There are myriad of styles to choose from: the well-known smocked skirts to amazing blouses and dresses, a "must have" garment for all Ewa i Walla women. Curtains and pillows are included to create the same joyful, summery feeling in your home too. Even the linen comes with flowers in a historical print, reminiscent of France, created in new garments, combines the past with the future.

Beautiful lace and embroidery on thin cotton with dots together with the flowing characteristics of viscose are perfect for light, summer garments. Combined with this season's gold label selections in exquisite organdie with embroidered flower dots and lace ribbons, these styles make the wearer both look and feel stunning.

This season's cotton knits come with a thinner pullover of lace knit details and a thicker cardigan with playful stripes. Easy to combine with a skirt in hard voile, these can be used to create the daring extravagant Ewa i Walla silhouette; or for everyday life, pair them with a soft cotton jersey top and denim jeans.

This season's colours: Ice Blue, Key Lime, Petrol, Powder and Rose arrive in perfect harmony with the variations of patterns and flowers. The combinations are endless and give you the opportunity for a unique, individual styling and to create your own portrait. Together we become the Portraits of Women... Enjoy!

# Materials Spring Summer 2019

## BLACK FLOWER PRINT:

A new version of our classic flower print, a bold graphic print in black and cream, printed on our classic Crisp Cotton. Adding a fresh contribution to this year's summer collection.

## CHECKED:

Delicate woven cotton fabric, the check is created with one single thread. Available in a bold cream and black coloration for a fresh summer look. A powder and cream check is also offered, for the more romantic woman.

## COTTON AND HEMP:

Offered again for this season. This lovely material is a mix of Organic Cotton and Hemp. Perfect for lighter outerwear and trousers.

## CRISP COTTON

This classic Ewa i Walla Cotton is defined by its unique crushed look, crispy feel and sound. Originating from old Sweden, you can discover the same feeling in cotton bed linen.

## DENIM:

This season, denim is featured in one pair of jeans in a lighter shade than before. Made in a soft denim with a light vintage look. Stitch and patches give it a unique appearance.

## DOT:

Thin cotton fabric with small, petrol dots create perfect light and cool summer garments. Embellished with exquisite lace and embroideries, these garments are perfect for combining with a hard voile skirt for a classic Ewa i Walla look, or with jeans for a younger, urban look.

## DOT ORGANDIE

This season our gold label garments are made in an exquisite organdie with embroidered flower dots. Represented in fabulous and dreamlike styles where lace ribbons are featured as extra little details, making the wearer look and feel stunning.

## FLOWER COTTON

Our famous and much-loved flower cotton prints are represented this season in a colorful print with cool turquoise as a complementary color. It is a "must have" garment for all Ewa i Walla women.

## HARD VOILE:

For those who love volume by Ewa i Walla, one can effortlessly create the daring extravagant silhouette that is "Ewa i Walla" with garments in this fabric.

## JERSEY:

A thin cotton quality with a flowing characteristic. These traits make the garments a perfect combination for an organdie skirt, or a pair of jeans.

## KNITTED COTTON

Our knits are made this season in a soft cotton yarn. Represented in a thinner pullover with lace knit details. In a thicker yarn, we have made a playful striped cardigan.

## LINEN PRINT:

With reminisces of France, a print found in one of the famous flea markets in Paris. An old print with history created in new garments, combining the past with the future. Light and summery outfits in classic Ewa i Walla design.

## MADRAS CHECK:

A classic check cotton voile in bright and summery colors. Represented in classic Ewa i Walla garments with lace and details.

## PIN STRIPE:

Linen pin stripe fabric with extra width between the stripes offers a new spin on this classic fabric. Represented in classic black and cream and in a romantic beige with a light jade stripe.

## VOILE

Cotton Voile suits a lighter garment which you can style separately piece by piece, or with the classic Ewa i Walla touch – layer upon layer. Represented this season in a faded red flower print. Where all garments will be unique in their appearance.

## VISCOSE:

Viscose with its flowing characteristics is perfect to wear close to the body. Available in nuances that are made to wear under our Gold label garments - or on their own for those warm summer days.
