

Autumn

Stories

A misty morning and the rain drops gently knocking on your window to make sure you are awake; no sight of the sun and it is still dark outside... On mornings like this it feels difficult to get up with the warm, cozy duvet embracing you and all you want is to stay in bed and wait for the sun and lighter days to come back. But if you just put your mind to it, jump out of bed, splash your face with some cold water - you are ready for this new day. Maybe a new exciting adventure is just around the corner so embrace each day and do the best of it, it is up to you! Bring a friend and go out and write your stories, your own Autumn Stories...

Ewa i Walla's Autumn/Winter 2020 Collection presents: "Autumn Stories" a celebration of the strength that comes from within and the power our mind has on how we approach each day. With a positive mind, a warm outfit that makes you look and feel stunning and together with a dear friend even the mistiest and rainiest day can be great. And while making the most of this day, all of a sudden, you feel the delicate touch of the pale autumn sun on your skin and the reminiscence of the summer sun is near.

For these cold and misty autumn days we bring you beautiful knitwear in a mix of alpaca and merino wool. Accessories featured in patterned knit with lace detail will add that little extra to any outfit and keep you warm all day long. This season's jackets and coats (in 100 % wool) is a soft and flowing fabric with varied buttons which gives the unique detailing Ewa i Walla is so popular for. Taking it to a new level, one of the coats is made with delicate embroidered flowers in colours that perfectly match the rest of the collection.

This collection also comes with our beloved flower cotton, in a rich and musty colour with a dramatic flower print hand painted by Ewa i Walla herself, a must have for all Ewa i Walla women out there! More flowers can be found on jackets and trousers in cotton twill, we love the clash of the rough material and the cute print. Our classic models in soft flannel are perfect for the autumn and winter wardrobe with a lightly brushed surface, light but still warm to the touch and to wear and even here you can choose flowers in a gorgeous small flower print but also a variety of solid colours.

Our Gold Label garments this season are represented in an array of fabulous and dreamlike styles in organdie and tulle. The autumnal coloured silk, with gold like dots, are perfect for all festive occasions.

Stripes and checks on carefully selected qualities bring that extra something to the collection and the block printed florals and squares made in the historic village of Bagru - famous for its craftsmanship - give each garment a unique look and contribute to a unique feeling to the wearer.

The gorgeous flower cotton will also come in beautiful beddings to make it even harder to get up in the morning. Together with a small selection of curtains and pillows in this season's signature fabrics and prints, we offer you the opportunity to give your home the right Ewa i Walla ensemble.

This season's colours: Amber, Green Clay, Old Rose and Silver Blue, together with Cream and Vintage Black, are in perfect harmony with the various prints and patterns. The endless combinations give you the opportunity to express yourself with a personal and unique style that make you look and feel stunning, enjoy!

Wear it, love it and live it!
Ewa i Walla - makes you flourish.

ALPACA KNIT

This season, knitwear is made in a beautiful mix of merino wool and alpaca. Featured items include a gorgeous patterned cardigan and a chunky pullover that will keep the wearer warm all winter long. Accessories in patterned knit with lace detail will add that little extra to any outfit.

BLOCK PRINT FLORALS AND BLOCK PRINT SQUARES

Block print made in the historic village of Bagru in North West India, famous for its craftsmanship. These two fabrics are both hand printed with vegetable dye on organic cotton. This gives the garments a unique look and with wings of history it contributes to a unique feel to the wearer.

CHECKED VOILE

Yarn dyed cotton voile made in an autumnal brown. Represented in classics layered Ewa i Walla garments.

DOUBLE COTTON

This soft cotton fabric is perfect for the colder season where its soft surface gives a warm and cosy feeling. Also represented is a cute lingerie set that is perfect to wear in front of the fire on a cold autumn day. Mix it with a knitted cardigan and long warm leg warmers in alpaca knit and you get the perfect "day in" outfit.

FLANNEL

With its lightly brushed surface, this is a perfect quality for autumn and winter. Light, but still warm to the touch and to wear. Represented in a gorgeous small flower print and in a variety of solid colours, these garments are a must in the Ewa i Walla women's wardrobe.

FLOWER COTTON

This season's flower print is hand painted by Ewa i Walla herself. A dramatic flower print made in rich and musty colours. Perfect combined with solid colours of deep green or old rose.

FLOWER TWILL

Here we have a rough cotton twill quality with a cute print found on an old dolls jacket. We love the clash of the rough material and the cute print. Represented in jackets and trousers.

HARD VOILE

For those who love volume by Ewa i Walla, one can effortlessly create the daring extravagant silhouette with garments in this fabric.

JERSEY

Our soft and comfy cotton jersey is represented in styles and colours that can be combined with every other piece in the collection. This season we also have one style in indigo dye.

LINEN

Rough linen with a vintage wash, this season we have two pairs of trousers in this lovely quality.

ORGANDIE AND TULLE

Our Gold label garments are represented in an array of fabulous and dreamlike styles. All made with extra care – they feature unique details, buttons, and lace ribbons, making the wearer look and feel stunning. This season we have worked more with the popular tulle fabric.

SHIRT COTTON

Delicate cotton quality that is defined by its unique crushed look, crispy feel and popularity with our Ewa i Walla customers.

SHIRT LINEN

This is a beautiful fabric made in a mix of linen, cotton and cashmere. Represented in a variety of blouses to combine with all our skirts and trousers. The cashmere gives the fabric that little extra touch of softness and luxury.

SILK

This is the perfect fabric for all festive occasions. This season represented in an autumnal brown colour with gold like dots.

STRIPED LINEN

Soft linen made in vintage black and wheat stripes with a vintage wash. This fabric is featured this season in jackets, trousers and skirts. All with delicate seam details that are characteristic of the Ewa i Walla design.

RIB JERSEY

Soft cotton rib jersey made with delicate picoting seam round neck in various shades. Garments that are perfect to wear underneath for a soft and warm feel.

TWILL

This cotton twill fabric is represented in two pairs of trousers that both are inspired of old work wear. Khaki and worker blue with a vintage wash. Combine with one of our romantic blouses to create an interesting clash between looks.

VISCOSE

Viscose with its flowing characteristics is perfect to wear closest to the body. Perfect to wear under our Gold label garments.

WOOL

This season in 100% wool, it is a soft and flowing fabric represented in coats and jackets. Different buttons gives the unique detailing Ewa i Walla is so popular for. Available in the colours, soft camel and deep green. One of the coats is made with delicate embroidered flowers.

WOOL JERSEY

This is a new quality for us. A warming wool jersey represented in three different blouses, perfect for everyday wear.

HOMETEXTILE

Made in our beautiful flower cotton print on shirt cotton, once you sleep in these you will never want anything else, sweet dreams! Curtains and pillows made in this season's signature fabrics and prints will give your home the right Ewa i Walla ensemble, wear it, live it and love it, it makes you flourish.
