The world is turning and so are we. The nearby surroundings hide an adventure, you just need to go out and find it. With the delicate autumn sun on frosty, pale mornings where the mist is dancing over the fields, you have magic moments to discover just around the corner. Make the best of you with a gorgeous outfit and step outside and cherish each day by embracing life, embracing love and embracing autumn...

Ewa i Walla Autumn/Winter 2021 presents “Embracing Autumn”, an amazing collection in beautiful autumn colours and with more flowers than ever. With inspiration from old farmers clothing and small flakes of history - combined with woodland and autumn wonders – we create an exciting mix of exquisite cross stitch embroideries on linen and the delicate touch of sheer organdie with dots on tulle which gives us an exclusive Ewa i Walla twist. With this season’s organdie patch, we take it to a new level with exciting expressions.

We love layers and with the playful dots you can create the perfect outfit, mix it together or with this season’s flower cotton in grey from a hand painted aquarelle by Ewa herself. This amazing print is also to be found on beddings and a curtain to create the right Ewa i Walla ensemble for your home, wow! More flowers are found in beautiful

black and cream, with small colour details in maroon giving lots of possibilities to mix and match. Last but not least, we offer flowers in soft brown tones with details in petrol and pink, an absolute favourite of ours, perfect to combine with the striped cotton or a cosy pullover in petrol for a stunning outfit.

For a more urban, edgy look garments in the soft and warming pin stripe wool are the perfect choice. Combined with a shirt cotton blouse or with a knitted pullover - you are ready for the colder days. This seasons warm wool jackets and coats comes with big checks, a golden stripe and more fabulously embroidered details and combined with a mix of velvet for that extra luxurious touch. For the coldest days, we offer a light padded coat in cotton twill with delicate details in flower cotton.

The carefully selected colours Jade, Khaki and Marron together with Ice Blue, Mole, Bone White and Vintage Black are perfect to match to this season’s stripes, checks and of course all three beautiful flower prints. Combinations are endless and give each wearer the opportunity to express themselves with a personal and unique styling that make you feel and look stunning, enjoy!

Small colour details are picking up the colour maroon that we have on jersey, linen and shirt cotton, giving you lots of different possibilities to mix and match within the collection. Last but not least, the third delivery’s flower print

made in soft brown tones with details of petrol and pink, an absolute favourite of ours. Combine it with the striped cotton or with the pullover in petrol for a stunning outfit.
